Dear Ashley,

My name is Chris Davis. I am writing in response to one letter from you about 2017 Tier 2 Annual Financial Disclosure Statement. It was always my intent to file my reports on time. I do however have a medical condition which causes me to forget. I've attached documents explaining my medical conditions. This medical condition led me to resign my elected position and has also resulted in my being off of work for nearly five months now. I'm writing to appeal the decision of the board and I respectfully request that all fines and fees be set aside.

Thank you,

Chris Davis
